BAR HILL RESIDENTS ASSOCIATION

VILLAGE FETE

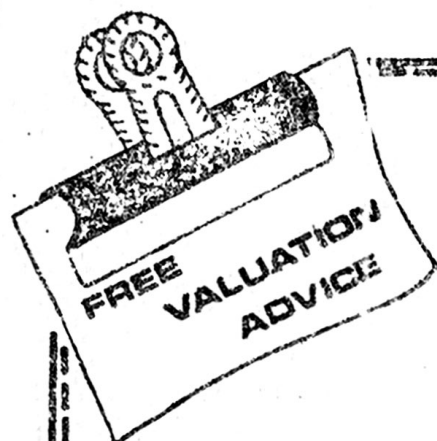

This will be held on the Village Green and around the Village Hall at 2.00pm on Saturday June 30th. We hope that this earlier date than usual will avoid the inclement weather we have endured for the past few years. Stallholders are advised to send a representative to our June meeting.

Keeping things moving in.....

BAR HILL

EKINS have had a long association with BAR HILL and to maintain our service we appoint an experienced sales negotiator to have sole responsibility for the village.

PAUL KINALLY is our specialist - call him on Crafts Hill 81543 or Cambridge 65931.

PAUL will be pleased to call at any time to discuss your property and advise you without obligation what price it should bring in today's market. (If you have already instructed a firm of agents to act on your behalf, we can only accept instructions from that agent).

There is a buyer for every type of property and it is our business to not only find that buyer but to get the highest possible price.

The way to sell your property in the shortest possible time, at the best price, is to put it before the largest number of buyers. This we can do.

We have seven major offices throughout Cambridgeshire and Bedfordshire and over 140 staff working to sell your property.

Important Notice - through our own Mortgage Department we can get your purchaser a mortgage.

Tesco and The Mall

Russ Wheeler submitted a written report on his discussions with Mr. Purvey relating to the Tesco Store and the improvement plans for the Mall. These plans include the re-paving of the entire area, the re-decoration of all the shops and flats and the re-opening of units 1, 2 and 3 (the old Buyrite store). Cycle racks are also to be fitted. This work is expected to commence during June and further improvement plans are under consideration.

Dr. Newsom also attended this meeting to discuss with Mr. Purvey the list of medical requisites which residents have asked Tesco to include in their Stock. Some of these items proved to be already stocked by Tesco and some others cannot be sold unless a pharmacist is in attendance, but Mr. Purvey agreed to submit the rest of the list of items, which Dr. Newsom recommended should be available in Tesco to his Directors. The outcome of this request will be reported in future editions of the News, but in the meantime we are grateful to Dr. Newsom for her kind co-operation and assistance in this matter.

The next meeting of the Parish Council will be held on Tuesday 19th June at 7.30pm in Bar Hill School.

VILLAGE APPRAISAL

What is it? Basically we are looking at the present state of the village and then planning for the future. The building of the village is nearly finished and so we haven't got much time left to set it right. The Parish Council knows about some of the problems and possible solutions but wants to hear your views. So far we haven't had any response which is disappointing. It is your village. What do you think? What do you want? Now is your chance - if you don't take it you won't be able to grumble if you don't like what happens to Bar Hill in the future.

How can we stop the litter problem? (Is it just visitors to Tesco's from outside Bar Hill who cause the problem?) What can we do to keep the village clean and tidy? How do we stop dogs fouling footpaths and play areas, cyclists riding dangerously on the paths, dangerous driving on our roads? How do we stop the vandalism of our village, the needless damage to property and trees? It costs us more than just a part of our rates. Are we, or our children responsible? What other shops/facilities/services do you want in Bar Hill? Do you get good value/service from existing shops/facilities/services?

What do you think? Please let us know by the end of June. We would prefer a written note if possible to Peter Blackman, 34 Acorn Avenue (CH 80384) or Christine Avery, 23 Foxhollow (81233). We look forward to hearing your views and good ideas for Bar Hill's future.

LETTERS

GOING, GOING, GONE ... from Fen to Fell ... AT LAST!

May we take this opportunity of saying farewell to all friends and neighbours as we both take our leave of Bar Hill after 12½ years. This issue of the News Letter should see us well settled into our new home in Windermere, Cumbria - not, as according to popular belief, a guest house! It's been a long time "on-the-move" as it will be almost a year to the day in June when we finally decided to fulfill our wish to settle in the Lake District - never dreaming it would take so long!

May we, together, with Mark who is now in the Junior Army and Robert, say a big thank-you to our close friends who have been most supportive during the last few months and we look forward to keeping in touch, albeit from a distance! We shall be following the happenings at Bar Hill with interest and wish all Good Luck for the future, from,

Gerry, Dee, and Robert, with Mark's best wishes too.

Dear Sir,

Stephen Webb, the Labour candidate in the last district council election, wishes to thank everyone who voted for him, and to thank the local labour party members for their help and support.

Better luck next time perhaps? Thank you,

Yours sincerely,
S. P. Webb

As your recently elected councillor to South Cambridgeshire District Council I would firstly like to thank the voters of Bar Hill, Oakington and Westwick for electing me. At this time I would, on behalf of the electorate like to extend thanks to Mr. Couzin-Woods for the hard work and dedication with which he has performed his duties during the past years.

As District Councillor I look forward to an active and interesting four years and I shall endeavour to serve the residents of the ward to the best of my ability. If there are any matters that I can assist people with I shall be only too willing to do so, my address is: 1 Pheasant Rise, Bar Hill, tel: 81292.

EMMERTSGRUND FRIENDSHIP EXCHANGE

During the Easter week Bar Hill was once again host to visitors from Emmertsgrund, a suburb of Heidelberg, in connection with the Cambridge-Heidelberg Festival. This is the third year of our exchange visits and every exchange has produced more friendship and interest between the two communities.

The week was most enjoyable for both our German friends and the host families. It was a hectic week with events ranging from trips to the Houses of Parliament, Whitbread's Brewery to community parties and social evenings. I know the Germans returned to Heidelberg with a very high regard for both the residents and the village of Bar Hill.

I would like to thank all those who hosted families, without their interest the exchange could never take place; the kindness and enthusiasm shown by everybody was unbelievable. We are now looking forward to our return visit to Heidelberg next spring. Anybody wishing to involve themselves in our future activities please contact myself at 1 Pheasant Rise, S1292, or Peter Hemsley, 63 Pheasant Rise, S1350, for any information you require.

Robin Cruse.

BAR HILL COMMUNITY USERS ASSOCIATION

BAR HILL COMMUNITY PRIMARY SCHOOL

June 12th at 8.00 pm is the date when all the Users of the School will be attending the Annual General Meeting! A meeting of the Users is held every term or as and when the Users think a meeting is needed but the A.G.M. is THE Meeting when we should like to see as many Users, not just officials of the particular society or club that you belong to, as possible. Your society is affiliated to the Users Club which in turn makes you, as an individual, a member of the Users Association Club and a very important person in the life of the community school. Affiliation of your club is not just a way of getting cheap lettings but a commitment to the community life of the village. Cheap lettings are a 'perk' but if your club or society have joined for that reason alone you are a member of the Users Association for the wrong reason. The Community School Users Association exists to promote the after school activity and use of the school for the benefit of all. To be an affiliated member of this association brings responsibilities as well as pleasures. During this last year the affiliation fees have provided comforts for the adult lounge and the money to promote various evenings and classes besides providing facilities for club members to meet. For a fuller report attend the meeting and see how your association works for you. This invitation is also open to groups who would like to join the Community Users Association.

The Users Association are promoting another short course of Flower Arranging starting on Wednesday June 6th for five weeks costing £5 enrollment on the first night. The last course was very popular with many members re-enrolling. Don't let that put you off though. If you have never arranged flowers before, the instructor is very helpful.

June 18th sees the continuation into the second half of the term of the Adult Dancing class, which is going very well. The second half will only be for 4 weeks and will cost £6. Enrolment again on the first evening.

P.T.A. NEWS

Many thanks to everyone who came to the fete, and to those who helped out before and during the event; details will appear in next month's News.

Now that most of the dust from the fete has settled, we can begin to plan our FASHION SHOW which is to be held in the School on Monday 25th June at 7.30 p.m. This year's event will feature students from the School of Art at CCAT. They are currently designing and making clothes out of material they have produced themselves, and they will model their own garments. The show - which promises to be a very relaxed affair - will be followed by refreshments. There will also be a small exhibition of other work undertaken in the School of Art.

Please look out for more details on posters on display around the village; further information may also be obtained from the School and from the PTA Secretary (Crafts Hill 80758).

Our thanks to everyone who knitted an outfit for the Cindy and Action Man clothes stall at the May Day Fete. A special thank you to Mrs. Croxon Snr. (Andrew and Lee's Granny) who made the majority of the outfits for us.

BAR HILL MUSIC SOCIETY

We are a group of singers and musicians who enjoy making music together. We are primarily a choral group who have met regularly on Mondays in the school for about 2 years, presented 7 concerts ourselves, and promoted 4 other concerts by visiting musicians.

A shortage of members forced us to suspend our activities in February, and cancel a concert planned for April. We hope to resume regular meetings after the summer holidays. The future of the society will be decided at a special meeting in July. If there is sufficient support, then that meeting will also discuss the content of the next concert. Details of the meeting will be in next month's News.

Anyone interested in joining us can come along to that meeting, or obtain further details from Martin Avery (CH 81233) or Elaine Parker (CH 81551).

BAR HILL AND DISTRICT CHILDMINDERS' ASSOCIATION

Shelley Cakebread, our secretary for some years, has left the village, her job has been filled by Sue Hemsley. If you have any queries on childminding please don't hesitate to call her on 81350 or call at 63 Pheasant Rise.

National Childminding Week is June 16th - 23rd this year and we will be holding a Teddy Bears' Picnic for all the 'minded' children in the village. Unfortunately we are unable to hire the bouncy castle for the village fete as we had hoped as it had already been hired, but we will still be serving Strawberry Teas as planned.

GOOD NEIGHBOURS - OVER SIXTIES CLUB

The coach outing to Bury St. Edmunds on the 22nd of last month was enjoyed by 25 people. It was market day, a typically East Anglian market in the High Street, the weather was kind (for once in the wettest September for years) and there was an excellent tea - home made cakes etc. - at the Quality House Tea Rooms.

On Wednesday, November 3rd., Mr. Burnett, who has visited us on two previous occasions, will bring some of his antiques, principally glass-ware. Any member who would care to bring his or her own glass-ware along for his opinion and valuation is cordially invited to do so.

Christmas Party: December 15th. Weather conditions were dreadful for the same event last year. Even dangerous. By the law of averages, we can hope for something better this time.

LETTERS TO THE EDITOR (continued)

Dear Sir

It is good to see that the debate on nuclear disarmament is raging in Bar Hill as well as elsewhere: thank you for giving space to it in your publication, and thanks to Mr. Speirs for taking the initiative of organising the Peace and Disarmament Discussion Group.

Whatever our arguments on a rational and political level, we surely all share the same fear of being killed in a nuclear attack (or indeed, of being among the survivors), and in East Anglia we have good cause for apprehension. We are all involved, and we are all afraid - or if not, then we should be. As I understand it, part of Professor Cornford's object was to remind us that the same dread is shared by the Other Side, human beings like ourselves, who have no more wish than we have to destroy millions of our fellows, not to go on wasting the earth's resources, as we are doing at present, on devices we have no intention of using.

How to rid ourselves of these weapons, to take the first step towards sanity, is the issue (no-one is seriously advocating total disarmament at this stage, after all.) My own view is that we in this country have nothing to lose and everything to gain by renouncing nuclear weapons - "unilateralists are just multilateralists who mean what they say". Not everyone will share this view; but everyone should be listening to the debate, and thinking. We in Britain may still enjoy a certain degree of freedom and democracy, but we are as subject to propaganda as any other nation; and it is difficult for ordinary people to weigh the conflicting statistics and scenarios offered by different "experts", and think the matter out for ourselves. I suggest that we start by asking what matters most to each one of us? And whatever we decide we value most, becomes meaningless once human life itself is destroyed or hopelessly contaminated. This surely ought to be the basis of any argument, and we must not lose sight of it. Whatever threatens life - your life, my life, a Russian life - is evil; and "The only thing necessary for the triumph of evil is for good men to do nothing."

Yours sincerely

Gillian Wills.
